Hi Mark

Lee and I have reviewed your information and your location will not interfere with our existing towers.

Jack

Good morning,  
Following up to see if the proposed AT&T tower will interfere with your existing towers. If not please let me know via email as soon as possible so I can provide this information to the Town of Caroline.

Subject: AT&T Proposed Tower in the Municipality of Caroline

Mr. Crance,

Thank you for taking my call today. Attached are the plans for the proposed 199' tower located at 340 Bald Hill Road Brooktondale, NY 14817. Lat 42.365008 Long -76.383761. The review board requested I contact you to make sure we are not going to interfere with any of your current microwave Paths. If we do not interfere with your current microwave paths please respond that we are good to go. If you have any questions please call or email me.
