Resolution #15-2015 Procurement Policy

Whereas, Section 104-b of General Municipal Law (GML) requires every Town to adopt internal policies and procedures governing all procurement of goods and services not subject to the bidding requirements of (GML) Section 103 or any other law,

Now, therefore be it resolved, that the Town of Caroline does hereby adopt the following procurement policies and procedures:

Guideline 1. Every purchase to be made must be initially reviewed to determine whether it is a purchase contract or a public works contract.

Guideline 2. Once that determination is made, a good faith effort shall be made to determine whether it is known or can be reasonably projected if the aggregate amount to be spent in a fiscal year on the item, supply, or service would make it subject to competitive bidding. The information gathered and conclusion reached shall be documented and attached to all vouchers related to the purchase of this item, supply, or service.

Guideline 3. Except when directed by the Town Board, no solicitation of written proposals or quotations shall be required under the following circumstances, however, documentation to this effect must be attached to the voucher for subsections a,c,d,e, h below:

- a) Items to be purchased under an existing State or County contract
- b) Acquisition of professional services
- c) Emergencies
- d) Sole source items
- e) Goods purchased from agencies for the blind or severely handicapped,
- f) Goods purchased from correctional facilities
- g) Goods purchased from another governmental agency
- h) Goods purchased at an auction
- i) Goods purchased for < \$500.00
- j) Public Works contracts for < \$1,000.00

Guideline 4. All purchases of items, services, supplies or equipment which will exceed \$10,000 in a the fiscal year and/or public works contracts that exceed \$20,000 shall be formally bid pursuant to Section 103 of GML.

Guideline 5. All purchases of items, services, supplies or equipment:

January 2, 2015

- 2
- a) Less than \$10,000, but greater than or equal to \$5,000 require a written request for proposal (RFP) and written/fax quotes from 3 vendors.
 - b) Less than \$5,000 but greater than or equal to \$1,000 require verbal or written/fax quotes from vendors.
 - c) Documentation of quotations for items less than \$1,000 in value as left to the discretion of the purchaser.

Guideline 6. All purchases of public works contracts:

- 2
- a) Less than \$20,000, but greater than or equal to \$10,000 require a written request for proposal (RFP) and written/fax quotes from 3 vendors.
 - b) Less than \$10,000 but greater than or equal to \$3,000 require verbal or written/fax quotes from vendors.
 - c) Documentation of quotations for items less than \$3,000 in value as left to the discretion of the purchaser.

Guideline 7. Any written RFP shall describe the desired goods, quantity, and the particulars of delivery. The purchaser shall compile a list of all vendors from whom written/fax/oral quotes have been requested and written/fax/oral quotes received. All information gathered in complying with this procedure shall be preserved and filed with the voucher for this purchase.

Guideline 8. A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the Purchaser shall document the attempt made to obtain proposals and attach such documentation to the voucher for this purchase. In no event shall the inability to obtain the number of proposals or quotations be an impediment to the procurement. All information gathered in complying with this procedure shall be preserved and filed with the voucher for this purchase.

Guideline 9. The lowest responsible proposal or quotation shall be awarded, unless the Purchaser prepares a written justification providing reasons why it is in the best interest of the Town and its taxpayers to make the award to other than the lowest bidder. Such written justification shall be attached to the voucher for purchase. If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the voucher for purchase.

Guideline 10. If an emergency exists wherein the delay caused by soliciting quotes would endanger the health, welfare, or property of the municipality, then the procurement of goods and services will be at the discretion of the proper department head with the documentation as to the nature of the emergency to be filed with the Town Clerk within five (5) working days of such procurement.

Guideline 11. When there is only one possible source from which to procure goods and/or services, thus indicating there is no possibility of competition, the following must be shown: Unique benefits of items needed; no other product/service can compare; cost is reasonable as compared to product offered; and there is no competition available.

Guideline 12. This policy shall be reviewed annually by the Town Board at its Organizational meeting or as soon after as is practical.
