Re: Verizon Wireless Application for Zoning and Building Permit approval to Co-locate on an existing tower owned by CitySwitch, LLC located at 340 Bald Hill Road in the Town of Caroline - Tower Owner Consent

To whom it may concern,

Please accept this letter as evidence of CitySwitch's consent to the above referenced zoning application, or any other application of Verizon Wireless for Town approval, and any other necessary or desirable governmental approvals, to locate telecommunications equipment on an existing CitySwitch tower located in the Town at 340 Bald Hill Road.

You may use this letter as evidence of our consent in your presentation or application to the Town or any other governmental authority. Note that Verizon Wireless is not authorized to accept any proposed Approval, which would place additional conditions or restrictions upon this property without additional consent from CitySwitch.

Thank you
