100 INTRODUCTION

101 *Welcome Message*

We would like to welcome you and congratulate you on your appointment to a position with the Town of Caroline. As a part of our team, you take on an extremely important role, that of serving the members of our community. Together, our mission is to provide cost-effective services that conform to the highest standards of quality.

This Employee Handbook is designed to familiarize you with your employment and to help ensure government compliance, foster positive employee relationships, and contribute to the overall success of the Town in delivering services to the public effectively and efficiently.

Please keep in mind that this is only an overview of the Town's policies and procedures, employee benefits, and the Civil Service System. Specific questions concerning employment matters should be addressed to your Department Head.

We trust that you will find service with the Town of Caroline rewarding both personally and professionally.

102 *A Message for Our Union*

This Employee Handbook has been developed by the Town of Caroline to assist you in getting acquainted with your employment with the Town. A cooperative labor-management relationship not only lends to a positive work environment but also helps ensure fair treatment in the workplace.

For union members, the collective bargaining agreement governs the terms and conditions of employment. You are encouraged to obtain a copy of your collective bargaining agreement from your union representative. Where that Agreement and this Handbook conflict, the Agreement controls. However, in certain instances where the Handbook covers an issue that is not the subject of bargaining, this Handbook controls. We have made every effort to acknowledge these situations. If you have any questions, you should contact your Department Head or union representative.

We hope that your career with the Town of Caroline will be an enjoyable experience.

103 *Our Heritage*

For over two hundred years, the Town of Caroline has served its residents with the values of people, progress and pride foremost in mind. Although the community has changed from an economy based largely on farming to one in which residents are predominately engaged in service industries, the rural character of our community still persists today. The nature of this rural character is best represented by good neighbors, high ethical standards and rugged individualism.

Employees of the Town of Caroline have always demonstrated these qualities to the benefit of the community. This document presents guidelines designed to preserve that tradition.

- **Provisional** – an appointment to a vacant position in the Competitive Class when there is not an appropriate eligible list. A provisional appointee must take an

examination whenever it is scheduled. Thereafter, a permanent appointment may only be made from among the top three candidates, willing to accept appointment, on an eligible list resulting from the examination, followed by the successful completion of a probationary term. Provisional employees who do not pass or are not reachable on the eligible list must be removed within sixty days of the date of establishment of the eligible list; or

- **Temporary** – an appointment to a position in the Competitive Class for reasons including, but not limited to: emergency work projects; planned termination of the position after a limited time; to replace an employee who is on a leave of absence; to fill a position funded through a temporary grant; or to fill a position vacated by the promotion of another employee until the employee who has been promoted receives permanent status.

303 Examinations and Promotions

Examinations – In accordance with Civil Service Law, in the event there is a vacancy in a new or existing position in the Competitive Class which the Town intends to maintain, the Town will fill the vacancy by selection from the eligible list certified by the Tompkins County Personnel Department of persons who have taken the appropriate Civil Service examination. The Tompkins County Personnel Department will test and rank each candidate according to the individual's performance on the examination. In accordance with Civil Service Law Section 61, the Town will select one of the top three candidates on an eligible list, who are willing to accept appointment, to fill the position.

Promotions – The Town will offer opportunities for advancement for those employees who qualify. In the event the position is in the Competitive Class, a qualified employee must normally take a promotional examination and the above “one of three” will apply. An employee who wants to be promoted should become knowledgeable about the employee's present position and be aware of higher level positions for which the employee may be qualified.

304 Veterans Credits

Summary – An employee who is a veteran as defined by the Civil Service Law may be eligible to apply for veteran's credits on a Civil Service examination. An employee who is a veteran should contact the Tompkins County Personnel Department for details concerning these credits.

Each official who is re-elected or re-appointed to a subsequent term must take the Oath of Office for each term.

Upon original appointment or upon a new appointment following an interruption of continuous service, each employee (other than an employee in the labor class) must take an oath or alternate affirmation as set forth in Civil Service Law Section 62.

Filing of Oath – The Oath of Office is filed in the Town Clerk's Office within thirty calendar days of the Public Officer's commencement of the term of office, or upon an employee's appointment.

The Town reserves the right to fill a position either internally or with an external candidate.

Employment Applications – The Town relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the Town's exclusion of the individual from further consideration for employment or disqualification if the conduct is discovered after employment commences.

Employment Reference and Background Checks – To ensure that individuals who join the Town are well qualified and have a strong potential to be productive and successful, it is the policy of the Town to check the employment references of final applicants. Applicants will be required to complete a hold harmless statement in order for the Town to conduct appropriate background checks.

[Pre-Employment Physicals / Drug Screening – When appropriate in accordance with the requirements of a particular position, the Town may require that an applicant undergo a medical examination \(after receiving a conditional offer of employment\) to determine](#)

Additionally, all final applicants for a position that requires a commercial driver's license must consent to be tested for the presence of a controlled substance as a pre-qualifying condition to employment.

403 Probationary Period

Except as otherwise provided in a collective bargaining agreement, the following Civil Service probationary provisions shall apply.

Purpose of Probationary Period – The probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides the Department Head with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period (Competitive Class) – Except as otherwise provided in the *Tompkins County Civil Service Rules*, an employee appointed from an open-competitive list must serve a probationary period of not less than eight weeks nor more than fifty-two weeks. Reinstatements, as defined in Civil Service Law and *Tompkins County Civil Service Rules*, are also subject to a probationary period of eight to fifty-two weeks, while transfers, as defined in Civil Service Law and *Tompkins County Civil Service Rules*, are subject to a probationary period of eight to twenty-six weeks. The length of the probationary period may be extended in accordance with the *Tompkins County Civil Service Rules*.

Length of Probationary Period (Other Classes) – Except as otherwise provided in the *Tompkins County Civil Service Rules*, an employee's original appointment to a position in the exempt, non-competitive, or labor class shall be for a probationary period of not less than eight nor more than fifty-two weeks. The length of the probationary period may be extended in accordance with the *Tompkins County Civil Service Rules*.

Successful Completion of Probationary Period – ~~An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, t~~The employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. **Except as otherwise provided by law or a collective bargaining agreement, completion of the probationary period does not necessarily confer rights or privileges in the position.**

Employment Status During Probationary Period – During the probationary period (at any time after the completion of the minimum probationary period and before completion of the maximum probationary period), an employee will be subject to demotion, suspension, or discharge at the Town's sole discretion. If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by civil service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

404 Performance Appraisal

Except as otherwise provided by a collective bargaining agreement, the following shall be the procedure for conducting employee performance appraisals.

Statement of Purpose – The purpose of a performance appraisal is to evaluate employee performance. The performance appraisal will take into consideration criteria that properly reflect the employee’s performance including, but not limited to, the employee’s work quality, job knowledge, initiative, attendance, teamwork, conduct, and communication skills. Except as otherwise governed by a collective bargaining agreement, the employee’s performance appraisal may be considered in determining a pay increase and/or as a factor in promotion or disciplinary action.

Frequency – An employee will be formally evaluated at least once each year on a date determined by the employee’s Department Head. Informal evaluations will occur on an as needed basis throughout the performance cycle.

Appraisal Meeting – The evaluator will meet with the employee to review the employee’s performance appraisal report.

Deficiencies – Should deficiencies be recorded in the performance of the employee, the employee will receive written recommendations for improvement.

Employee Comments – An employee’s written comments, if any, will be included with the performance appraisal report.

405 New Employee Orientation

→optional

Procedure – The purpose of the new employee orientation is to welcome new employees and to familiarize them with the Town and their job. The orientation process generally consists of, but is not limited to, a tour of the employee’s assigned worksite, distribution and review of this employee handbook, and enrollment in benefit plans, if applicable. In addition, the employee’s Department Head is responsible for introducing the employee to co-workers, scheduling on-the-job training, and reviewing the job description and performance requirements of the position.

406 Corrective Action and Discipline

→Updated

Policy Statement – It is the policy of the Town of Caroline that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations or that discredits the Town will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the Town. Corrective action is necessary when an employee has demonstrated performance deficiencies, or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the Town of Caroline’s on-going employee relations. When a rule, policy, or procedure is violated, the employee’s Department Head, or other designated supervisor, will review the specific nature of the violation with the employee. The employee’s input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor’s directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In **normal circumstances**, the Town endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The Town retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The investigation may include, among other things, interviews with the employee and any witnesses or other involved parties, and review of documents and materials. Employees who are participants in an investigation are not allowed to disclose the content or particulars of the investigation unless otherwise authorized. All employees who are called upon to participate in an investigation are required to fully cooperate in the process and respond truthfully to all questions posed. Failure to do so will subject the employee to appropriate corrective action. The Town reserves the right to suspend an employee while an investigation is conducted.

During the investigation process, a union employee who appears to be a potential subject of disciplinary action may undergo questioning. Such employee will have the right to representation by the employee’s certified or recognized employee organization under Civil Service Law Article 14, and will be given advanced notice of such right. In the event the employee requests representation, the employee will be allowed a reasonable period of time to obtain such representation. In the event the employee is unable to obtain such representation within a reasonable period of time, the employer will have the right to then question the employee.

Procedures – Employees covered by **Civil Service Law Section 75** shall be disciplined in accordance with the procedures contained therein. (Refer to Section 406 of this Employee Handbook). An employee who is a member of the Teamsters Local 317 Highway Unit should refer to the collective bargaining agreement on the subject of the disciplinary procedure, wherein the negotiated procedure is the only method of resolving

challenges to disciplinary action and wholly replaces the provisions of Civil Service Law Sections 75 and 76.

Prohibited Conduct – Any employee who, after investigation, is found to have committed any of the actions listed below will be subject to corrective action, up to and including termination of employment. This list is illustrative only and does not limit the Town's right to impose discipline in other appropriate cases.

The Appointing Authority will designate a hearing officer in accordance with Civil Service Law Section 75. The designation must be in writing. Limitations – Notwithstanding any other provision of law, no removal or disciplinary proceeding will be commenced more than eighteen months after the occurrence of the alleged incompetence or misconduct complained of and described in the charges. Such limitation will not apply where the incompetence or misconduct complained of and described in the charges would, if proved in a court of appropriate jurisdiction, constitute a crime.

Filing Requirements – In the event the employee is found to be guilty, a copy of the charges, the employee's written answer, a transcript of the hearing, and the determination will be filed in the office of the department in which the employee is employed. Asking another person to call in on the employee's behalf is not permitted. Notification requirements may be waived in cases of emergency.

Unexcused Absences – Notification of an absence to an employee's Department Head does not automatically mean the absence is authorized. Any time off from work that is without approval of an employee's Department Head is considered an unexcused absence. An employee can collect and keep any mileage or parking expense reimbursement that may be issued by the court system for performing jury duty.

The Town shall pay a temporary or seasonal employee up to \$40 of the employee's wages for the first three days the employee serves jury duty if on those days the employee is scheduled to work for the Town. After the first three days, the employee may be eligible for a stipend issued by the court system if the employee continues to serve on jury duty.

The Town of Caroline recognizes the importance of the Military Reserve and National Guard, and will permit any employee the use of military leave to perform ordered military duty or required training. The Town will grant such leave with pay for up to twenty-two workdays or thirty calendar days in a calendar year, whichever is greater. Such military leave beyond the twenty-two workdays or thirty calendar days in a calendar year will be unpaid, however accumulated vacation leave may, at the employee's option, be used at any time during the leave. This does not preclude the employee’s option to use available paid leave upon approval of the employee’s Department Head.](#)

604 Leave for Cancer Screening

Policy – The Town of Caroline complies with New York State Civil Service Law which entitles all Town employees excused leave to undertake screening for breast cancer (under Section 159-b) and prostate cancer (under Section 159-c). The excused leave allowed under this policy is unpaid; however, this does not preclude an employee’s option to use available paid leave for this same purpose.

Allowance – An employee will be allowed four hours of excused leave per year for the purpose of undergoing a screening procedure for breast cancer, and four hours of excused leave per year for the purpose of undergoing a screening procedure for prostate cancer (male employees only). Such excused leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to the excused leave, those hours are not carried forward to the next year. The allowed excused leave may include the travel time to and from the appointment and any subsequent follow up consultation visits. In addition, the allowed excused leave may be staggered throughout the year until the maximum allowance has been reached.

Scheduling – An employee must receive prior approval from the employee’s Department Head to take excused leave for this purpose. The request for excused leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this excused leave, but will not unreasonably deny such request.

Documentation Requirements – If an employee uses unpaid excused leave for a cancer screening procedure under this policy, documentation must be provided to the Department Head from the health care provider verifying that the absence from the workplace was for cancer screening. If an employee uses paid leave for a cancer screening procedure, the provisions of the applicable paid leave policy (e.g. sick, personal, vacation) will apply; there is no requirement in such a case to provide specific documentation regarding cancer screening.

Scheduling – An employee must receive prior approval from the employee's Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. Policy – In the event that a volunteer firefighter and/or Emergency Medical Technician (EMT) associated with a volunteer fire company is called to a working fire or emergency during the employee's actual scheduled working hours, the Town of Caroline shall compensate the employee at the employee's regular straight time hourly rate of pay for only those emergency hours which overlap the employee's scheduled hours. It is expected that the employee shall respond to a fire or medical emergency only when that individual's services are necessary. Whenever possible, the employee shall request leave from their supervisor before departing from the workplace. The employee shall not depart from the workplace knowing that such departure may cause or contribute to unsafe conditions at the job site or damage to Town property. If after responding to a fire or medical emergency, such employee's presence is not required, the employee shall immediately return to the employee's work assignment, provided there is time remaining in the employee's shift. In the event that a volunteer firefighter and/or EMT is required to respond to a working fire or emergency during the eight hours immediately preceding the start of the employee's shift, the employee shall receive compensatory time off during the upcoming shift equal to the actual time spent resolving the fire or medical emergency. In no event shall the employee receive compensatory time off for time greater than their shift

assignment for that day. Any hours compensated under this provision shall be counted as hours paid, but shall not apply to any calculations for premium pay. The employer shall pay and provide compensatory time off only for time spent responding to a fire or medical emergency. The employer may designate an employee as exempt from this provision if the nature of the employee's job responsibilities is such that the employee's sudden absence could create a hazard or unduly disrupt Town business. The employer reserves the right to verify any claim made by an employee under this provision. Employees who are members of Teamsters Local 317 Highway Unit should refer to the bargaining unit contract for volunteer firefighters/emergency responders release provisions.

608 **Family and Medical Leave Policy**

→ Policy Updated – Per our discussion, this policy is optional for the Town of Caroline due to the size of the employee base.

Policy Statement – It is the policy of the Town of Caroline to grant a full-time employee a maximum of twelve workweeks (defined by the employee's normal workweek) of unpaid leave in any twelve-month period for certain family and medical reasons. The twelve-month period is calculated as the twelve month period measured forward from the date of the employee's first leave usage.

Granting of Leave of Absence – The granting and duration of each leave of absence will be determined by the Town Board in conjunction with applicable federal and state laws, including Civil Service Law Sections 71, 72 and 73, as applicable, and the (*Name of Civil Service Rules*). If and when any employee meets the eligibility requirements under the *Family and Medical Leave Act*, the provisions of that Act will then take precedence over this policy.

Types of Leave – The following types of leaves of absence will be considered:

- **Sick Leave of Absence** – Employees who are unable to work because of a serious health condition or disability may be granted a sick leave of absence. This type of leave includes disabilities caused by pregnancy, childbirth, or other related medical conditions. The Town requires certification of an employee's need for sick leave, both before the leave begins and on a periodic basis thereafter, by the employee's health care provider.

In addition to leave provided under this policy, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that **covered** employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employee should consult with their Department Head for further details regarding this provision.

- **Parental Leave of Absence** – Female employees, when not disabled by pregnancy or childbirth (see above), and male employees may be granted a parental leave of absence to care for a child upon birth or upon placement for adoption or foster care.
- **Family Care Leave of Absence** – Employees may be granted a family care leave of absence for the purpose of caring for a child, spouse or parent who has a serious health condition. The Town requires certification of the family member's serious health

condition, both before the leave begins and on a periodic basis, by the family member's health care provider.

Eligibility – To be eligible, an employee must meet the following requirements:

- The employee must have completed at least one year of full-time, continuous service during the previous twelve months prior to the date leave commences.
- Spouses who both work for the Town of Caroline are allowed a combined maximum of twelve workweeks of leave for the birth or care of a newborn child, adoption or foster care of a child and to care for such newly placed child, or the serious health condition of a child, spouse or parent, during any twelve month period.

Definitions – For the purpose of this policy, the following definitions will apply:

- **Serious Health Condition** will mean and refer to an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or any subsequent treatment in connection with such inpatient care; or continuing treatment by a health care provider, including, but not limited to:
 - * A period of incapacity of more than three consecutive calendar days and any subsequent treatment or period of incapacity that also involves continuing treatment by a health care provider;
 - * A period of incapacity due to pregnancy or prenatal care;
 - * A period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - * A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 - * A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.
- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices; or any other person defined in the FMLA regulations capable of providing health care services.
- **Family Member** will mean and refer to:
 - * **Spouse** – means husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any

State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex or common law marriage that either: (1) was entered into in a State that recognizes such marriages; or (2) if entered into outside of any State, is valid in the place where entered into and could have been entered into in at least one State.

- * **Parent** – biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a child as defined directly below. This term does not include an employee's parents "in law".
- * **Child** – biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Notification Requirements – If the need for leave is foreseeable, the employee must give notice to the Department Head at least thirty calendar days prior to the commencement date of the unpaid leave. This notice may be written or verbal, however, additional medical certification may be required for final approval of the absence as qualifying under this policy. The failure of an employee to give thirty days' notice of foreseeable leave with no reasonable excuse for the delay may result in the delay of the employee taking the leave until thirty days from the date of notice. When the need for leave is unforeseeable, notification must be provided as soon as possible and practical.

Status Reports – The employee must periodically update the Department Head as to the employee's status and intent to return to work.

Medical Certification – The employee may be required to produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, no later than fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Town of Caroline reserves the right to request a second opinion by another health care provider. The Town will pay for the second opinion. In the event a conflict occurs between the first and

second opinion, the Town may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the Town and the employee. This third opinion will be final and binding.

Leave for the Birth, Adoption or Foster Care Placement of a Child – Leave for the birth of a child or the placement of a child for adoption or foster care must conclude within twelve months from the date of the birth or placement.

Certification for Adoption/Foster Care – An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

Employment Restrictions During Leave of Absence – While on an approved leave, the employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the Town of Caroline.

Benefits During a Leave of Absence – For the purpose of this policy, the following will apply:

- **Use of Accrued Paid Leave Credits** – An employee taking leave for the **birth, adoption or foster placement of a child or to care for a spouse, child or parent with a serious health condition** must first use all vacation leave credits which will be included in the maximum twelve weeks of leave. The substitution of paid leave for unpaid leave for these types of leave does not extend the twelve-week period.

For leaves taken due to the **employee's own serious health condition**, the employee must first use all sick leave and vacation leave credits, which will be included in the maximum twelve weeks of leave. However, in the event that the paid leave credits available are greater than the maximum twelve-week period, an employee may use paid leave credits to extend the leave of absence beyond the twelve-week period, **up to a maximum of one year**. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the Town Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, **job reinstatement** beyond the one-year leave of absence is **not automatic** and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Tompkins County Civil Service Rules*.

- **Accrual of Paid Leave Credits** – An employee will continue to accrue vacation and sick leave and receive holiday pay during the portion of the leave that is paid. **Paid leave is defined as leave during which the employee continues to use accumulated paid vacation and sick leave.** After all such paid leave is exhausted, the remaining leave of absence is unpaid. An employee will not earn paid vacation or sick leave or receive holiday pay for any holidays that may occur during an unpaid leave of absence.
- **Medical Insurance** – During the period of authorized leave under this policy, up to a maximum of twelve weeks, an employee's eligibility status for medical insurance coverage will not change. All employee contributions (if any) must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium

payments or policy coverage are subject to change. In the event the employee fails to return to work after the maximum twelve week period of leave under this policy has been exhausted, the employee may continue coverage with responsibility for payment of the full premium amount under COBRA provisions (see Section 804). In addition, the Town may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:

- * The continuation, recurrence, or onset of a serious health condition of the employee or the employee's eligible family member with proper medical certification; or,
- * Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's work-site; the employee is laid off while on leave.

Return to Work – The following conditions for returning to work will apply:

- **Job Restoration** – At the conclusion of the leave of absence, (except for leaves beyond a one-year period) the employee, provided that the employee returns to work immediately following such leave, will be restored to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions. For an authorized leave of absence beyond the one-year period, job restoration will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the Tompkins County Civil Service Rules.
- **Medical Statement** – Before resuming employment, an employee must submit a statement from the employee's health care provider indicating that the employee is able to return to work either with or without restrictions. The Town reserves the right to have the employee examined by a physician selected and paid for by the Town to determine the employee's fitness to return to work either with or without restrictions. Failure to return to work when required may be considered a voluntary termination.
- **Early Return** – An employee who intends to return to work earlier than anticipated must notify the Department Head at least five business days prior to the date the employee is able to return. The Department Head shall in turn notify the Town Supervisor.
- **Extension of Unpaid Leave of Absence** – An employee who wants an extension of the leave previously requested must notify the employee's Department Head at least two business days from the date the change occurred which necessitates the change in leave time. The Town Board reserves the right to approve all leave extensions.

Statement of Compliance – The Town of Caroline complies with the provisions of the Family and Medical Leave Act (FMLA). **The Town of Caroline does not regularly employ fifty or more employees. Under that circumstance, Town employees are not eligible for leave under the FMLA.** If at some point the Town of Caroline should employ fifty or more employees, eligible employees will be afforded leave in compliance with FMLA.

An employee who reports discrimination will not suffer adverse employment consequences as a result of making the complaint.

Prohibition Against Retaliation – Retaliation against any employee who brings a written or verbal complaint of discrimination or who assists or participates in the investigation of such a complaint is strictly prohibited. Following receipt of an accommodation request, the Town will meet with the requestor to discuss and identify the precise limitations resulting from the disability and the potential accommodation(s) that the Town might make to help overcome those limitations.

The Town will determine the feasibility of the requested accommodation considering various factors, including, but not limited to the nature and cost of the accommodations(s), and the accommodation's impact on Town operations.

Pre-Employment Inquiries – Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition. 903 *Non-Discrimination and Harassment (Including Sexual Harassment) in the Workplace*

→ Updated

Policy Statement – It is the policy of the Town of Caroline to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 103 of the Employee Handbook) that disrupts or interferes with another's work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment, including sexual harassment, and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or harassment, including sexual harassment, and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment, including

sexual harassment, without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards and Commissions, employees, supervisors, and Department Heads, whether employed full or part-time, temporary or seasonal, paid or unpaid interns, volunteers, independent contractors and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town’s exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment (including sexual harassment) is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- **Harassment:** Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual’s work performance; or 3) otherwise adversely affects an individual’s employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment and sexual harassment (see below).
- **Bias-Based Harassment:** Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating, or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town’s premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.
- **Discrimination:** The Town of Caroline is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of

employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any individual covered under this policy who feels harassed should report such behavior so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
 - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:

- Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
- Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
 - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee or other individual covered under this policy from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Unlawful retaliation against any employee or other individual covered under this policy who has engaged in "protected activity" is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;
- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) – Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee's shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be

prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Local Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

A container not properly labeled must be given to the Department Head for labeling or proper disposal.

When an imminent and serious danger to public health or safety exists, an employee may see fit to immediately report violations to law enforcement or other applicable governing body. Even if you are in doubt about what you witnessed or were made aware of you should report the matter.

Retaliation – Under Section 75-B of New York State Civil Service Law, New York State Public Sector Whistleblower Law, an employee, who in good faith, discloses to a governmental body information regarding a violation of law, a substantial and specific danger to the public health or safety, or an improper governmental action which the employee reasonably believes to be true, shall be protected from any adverse personnel action including, but not limited to: termination, disciplinary action, or changes in compensation. Any Town employee or officer who commits or condones any form of retaliation against anyone who in good faith reports alleged misconduct will be subject to discipline up to, and including, termination.

1200 DISPUTE RESOLUTION

1201 Dispute Resolution Procedure

Policy Statement – The Town Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, Department Heads and members of the Town Board which will enhance the overall operation of the Town. The Town will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Employee Handbook, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Employee Handbook. In addition, the term “dispute” shall not apply to any matter as to which the Town is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that Town policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee;
- Treatment considered unfair by an employee, such as coercion, reprisal, harassment, or intimidation;
- Alleged discrimination because of race, color, sex, age, religion, sexual orientation, national origin, marital status, disability; or any other protected class; and
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s Department Head. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Employee Handbook that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s Department Head will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s Department Head, the employee may submit the matter to the Town Supervisor. The dispute must be submitted, in writing, within seven working days from receiving the Step One response or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the Town Supervisor will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the Town Supervisor will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full Town Board by filing a Request for Hearing with the Town Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The Town Board will set the time and place for the hearing. All decisions rendered by the Town Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official Town policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the Town to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The Town Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.

Union Employees – An employee who is a member of a collective bargaining unit should refer to the applicable collective bargaining agreement to determine if the employee's dispute (grievance) may be subject to the grievance procedure contained in the employee's collective bargaining agreement.

<p style="text-align: center;">TOWN OF CAROLINE</p> <p style="text-align: center;">EMPLOYEE HANDBOOK ACKNOWLEDGMENT</p>

I hereby acknowledge that I have received a copy of the *Town of Caroline Employee Handbook* outlining the rules, regulations, procedures, practices, work standards, employment classifications, compensation, and benefits of the Town of Caroline. I further acknowledge that I have read, or will read the contents of the Employee Handbook and will contact my Department Head or the Town Supervisor if I have any questions.

I understand that the Employee Handbook is not meant to create a contract of employment, nor should it be construed as creating a contract of employment and that the Town Board of the Town of Caroline reserves the right to interpret, change or modify any section of the Employee Handbook at any time.

I understand that, if I am covered by a collective bargaining agreement between the Town of Caroline and an employee organization as defined by the Public Employees' Fair Employment Act, in the event an expressed and explicit provision set forth in a collective bargaining agreement should conflict with an employee benefit, personnel policy, personnel procedure, or other provision set forth in the Employee Handbook, the expressed and explicit provision of the collective bargaining agreement will control. Otherwise, unless expressly excluded herein, the Employee Handbook is applicable to all employees.

I agree to abide by the personnel policies, procedures, rules and regulations outlined in the Employee Handbook.

I understand that the Employee Handbook and the changes contained herein are intended to supersede all prior manuals and guidelines issued by the Town of Caroline.
