Subject: Support for Moratorium on Commercial Development

To the members of the Caroline Town Board:

I am writing to voice my strong support for a Moratorium on Commercial Development in the Town of Caroline. I have been a resident of Caroline for nearly a decade and I value the rural character of our community. The recently proposed retail development would destroy natural land and habitat and contribute considerable light pollution to the surrounding areas. Furthermore, it would suck money out of our local economy.

Thank you for considering the concerns of hundreds of our local community members as you make this decision that will have significant, lasting impacts on our community.

Sincerely,

Meaghan Sheehan Rosen
