RESOLUTIONS

Resolution #1-2024 Town Board Meeting Rules of Procedure

Resolved, the Caroline Town Board will conduct business using the principles of Robert's Rules of Order, with the following guidelines:

Meeting Decorum and Responsibilities:

1. We are all equals at the table and are elected to serve the Town. We must at all times strive to make our meetings cordial and honorable. Recognizing our fallibility as humans, we acknowledge that adherence to meeting rules of procedure will facilitate a constructive meeting atmosphere and process. We therefore commit to the principles and practices of Robert's Rules of Order.
2. Our communications with each other and the public must acknowledge the dignity or worth of other persons and points of view.
3. Each board member shall have an opportunity to speak once before speaking a second time; the presider (typically the Supervisor) shall guide this if needed. Adherence to this process will promote equal participation by members, a thoughtful pace that promotes well considered dialogue and curtails emotional reactions, and mitigates against interruption.

Agenda Meeting:

1. Committee Reports.
2. Introduction of resolutions to be considered at the Business Meeting
3. Typical Public Hearing venue
4. Resolutions may be brought forward for matters considered to be time-sensitive and should be included on the meeting agenda if not pro-forma
5. Setting of agenda items for the Business Meeting. The Supervisor shall establish the order of the Business Meeting Agenda

Business Meeting:

1. Follow established agenda (items may be added)
2. Reports from department heads and County Legislator.
3. Opportunity for Committee Report updates
4. Resolutions taken in order and must be moved and seconded prior to discussion

Between Meetings:

1. By Friday preceding the Business Meeting, the Supervisor shall post the agenda with resolutions on the website and send to the Webmaster for distribution on the town listserve (abstract approvals, transfers, and budget amendments are typically added later, as well as pro-forma actions like approval of annual contracts).
2. The Clerk shall prepare and compile the Vouchers for payment of bills at the Business Meeting.
3. Three Town Board Members shall inspect and sign-off on each voucher for accuracy and legitimacy.
4. The Supervisor shall prepare the monthly statement of town accounts and prepare the budget amendment and transfer resolutions.

General:

1. Opportunity for the public to address the Town Board during Privilege-of-the-Floor is at the discretion of the Board and may be provided at any meeting. Expectations are provided by the Town's Privilege-of-the-Floor Policy (Organizational Resolution #2).
2. To the extent possible, authors of resolutions shall distribute their draft resolution for review and feedback to the full board prior to public posting of the meeting's agenda.
3. Resolutions introduced for a public meeting (board actions, town policies, local laws, etc.) are products of the town board's internal deliberations, intended for review and feedback from the public and further discussion by the board during public session.
4. If prepared, review of meeting minutes shall occur at the next meeting of the Town Board to facilitate the review process, respect and assist the Clerk's management of meeting records, and enhance provision of information about Town Board activities and initiatives to the public.
5. Public Hearings and Informational Presentations may be scheduled for either monthly meeting; items of business will typically be scheduled for the Business Meeting, but may be scheduled for the Agenda Meeting if considered urgent.

quotes have been requested and written/fax/oral quotes received. All information gathered in complying with this procedure shall be preserved and filed with the voucher for this purchase.

Guideline 8. A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the Purchaser shall document the attempt made to obtain proposals and attach such documentation to the voucher for this purchase. Guideline 11. When there is only one possible source from which to procure goods and/or services, thus indicating there is no possibility of competition, the following must be shown: Unique benefits of items needed; no other product/service can compare; cost is reasonable as compared to product offered; and there is no competition available.
