

To the Caroline Town Board

I am signing this petition because I want a Dollar General store in Caroline. It is not the Town Board's job to decide what businesses should be here or to limit access to where I can shop. Not all of us can afford to shop at Brookton's Market. Right now I have to drive 20 minutes to Candor, Dryden or Richford to shop at Dollar General for food I can afford or else deal with Ithaca traffic to shop at WalMart or Aldi. I will save gas, money and time if there is a Dollar General store here in Caroline. The moratorium is a bad idea and the Town will end up getting sued. That is not how my tax dollars should be spent. The Board should allow Dollar General to build a store here as soon as possible and have a business here that pays taxes and makes life a little easier for all of us.
