Subject: development on Rt. 79

Hello, I am not in favor of commercial development on Rt. 79 near Landon Rd. I live on Coddington Rd on the property line between Danby and Caroline. I often take long, country walks or ride my bike on Landon Rd, into the cemetery, to the Brookton Market and all through Caroline. I savor the country beauty and would hate to see our area commercialized. Please consider the lifestyle of those of us who have chosen to live in a rural area.

There are plenty of shopping options in Ithaca and other surrounding areas for people to choose from. Why is a Dollar store being considered for this location? Amy D. Stoll
