The purpose of the hearing is to hear public comments on the Preliminary Report to the Town Board. In general, the members of the zoning commission will not reply to or comment upon statements. Statements up to 4 minutes in length are allowed. Please cease speaking when time is called. The timer will alert you when you have 15 seconds left.

If you wish to speak at the Public Meeting, please sign in when entering the hall. If you are attending by Zoom, please raise your hand via Zoom and the app will keep the list in order. People will be called upon in order and according to the number of people on the list in Town Hall and with hands raised on Zoom. For instance, if there are 50 people in the Town Hall who have noted that they wish to speak, and 25 on Zoom, the chair will call on 2 people in Town Hall for every 1 person on Zoom. Speakers may only speak once.

The Zoning Commission also welcomes comments in writing. You may leave them with the Town Supervisor, who will bring them to the Town Clerk, to be compiled for the Zoning Commission members. Or you may drop them off, send your comments by email, or mail them to the Town Clerk by March 3 (postmark if mailed).

Please do not applaud or call out remarks and allow the speakers to be heard. We should be able to hear about 40 comments tonight. Applause, etc., will limit our ability to hear from more speakers.
