Re: Caroline Town Hall Site Improvements Project

Dear Mr. Witmer,

On Tuesday, June 20, 2020 bids were received for the above referenced project. A copy of the tabulation of bids is attached for your information.

The successful bidder is Edger Enterprises, Inc. of Elmira Heights, NY with a lump sum bid of \$76,859. The alternate for full depth reconstruing of the parking lot would be an additional \$20,410 if the Town chooses to select the alternate. The total project cost with the alternate would be \$97,269. We evaluated this bid as follows:

- Reviewed all bids for accuracy.
- Evaluated their current workload and resources available to satisfactorily complete this project.
- Verified that the low bidder is not listed on the NY State Agency Debarment List.

Edger Enterprises is qualified to complete this work. Based on our evaluation, we recommend that the Town award the contract for the Caroline Town Hall Site Improvements Project to Edger Enterprises.

If you have any questions concerning any aspect of this bid please do not hesitate to contact our office.

Sincerely,

Donald Harner, P.E.
